Waterproof

SPC UV BOARD has the advantage of being waterproof and moisture-resistant, addressing the weakness of traditional wall panels that are susceptible to water.

Fireproof

The combustion test level reaches B1, and the material is effectively fireproof.

Eco-Friendly

Eco-friendly and formaldehyde-free, it is a new type of green and environmentally friendly decorative material.

Easy to Install

Installation is convenient, saving a considerable amount of time and money

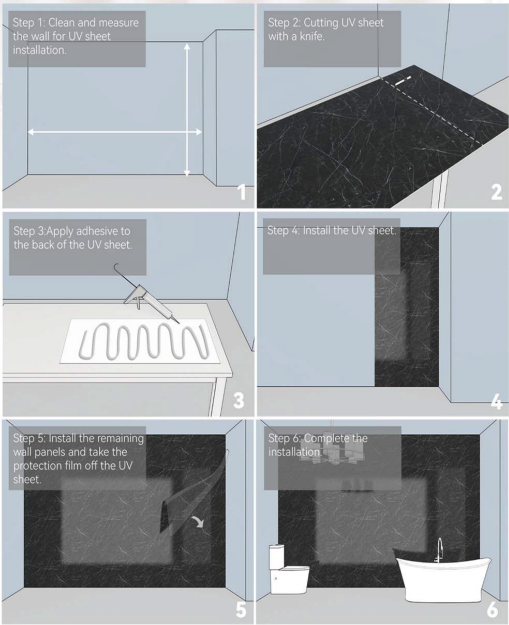

Easy to clean

The surface is smooth and easy to clean, preventing the accumulation of stains.

Diverse design options

Offers a wide range of textures and colors suitable for various interior design styles, meeting diverse needs.

R Rock Board Series
